

### **Bright Minds kindergarten plan for students to get out to buses**

- 1- Preparing the list of names of male and female students who use the bus by the bus supervisor.
- 2- The bus supervisor goes to the classes to bring the students whose names are mentioned in the list.
- 3- Students are assembled in the inner courtyard with the help of the teachers' assistants.
- 4- The bus supervisor makes sure that all students in the inner yard leave by bus.
- 5- Walk in a straight line with the help of the bus supervisor and head to the bus.
- 6- The bus supervisor helps the students get on the bus and seated them in their place.
- 7- The bus supervisor puts the seat belt for each student in the seat designated for him and makes sure that all students sit before the bus moves.
- 8- The supervisor of the bus hands the student over to one of the parents hand in hand.
- 9- The bus supervisor makes sure that the bus is free of all students
